

CONSTRUCTION/DEMOLITION

DUMPSTER GUIDELINES

Thank you for choosing Tom Kraemer, Inc. To ensure safety, eliminate unnecessary fees and to avoid any delays, please review the following dumpster guidelines.

DAMAGE DISCLAIMER

Tom Kraemer, Inc. will set dumpsters where instructed by customer and/or contractor. TKI does not assume any liability for any damages incurred to driveways, landscaping or any other property while setting or retrieving dumpsters.

LEVEL FULL:

In order to provide safe hauling, all dumpsters must be no higher than level full. Dumpsters that are overloaded may be refused for service, and extra charges may apply.

TIME LIMIT:

- **Any sized** dumpster is set for a maximum of two weeks.
- A per-day rent charge may be assessed for those exceeding their allotted time. TKI will never charge rent before contacting you first.

- Please contact TKI to schedule your dumpster for pick up as TKI won't automatically pick up your dumpster after the allotted time frame.

*If you have any questions about materials that can or cannot be placed in our dumpsters, please contact TKI. The **MPCA requires that we comply with these regulations.** Failure to follow set regulations will require us to reject the contents of the load and/or apply an additional charge for the removal and disposal of items not in compliance.*
